

“A Lamp Shining”

2 Peter 1:16-21

What do you look to for light?

A Lamp Shining

1. that Shows the Glory of Jesus not us

“eyewitness of his majesty ... received honor and glory”

2. that Guides the Way better than us

“more sure ... do well to pay attention”

3. that Comes from God not us

“no(t) ... someone’s interpretation ... but ... from God”
